b) Charitable Grants. The excess of Rs 138 provided under this item is due to the omission of a sum of Rs 62 included in the revised budget for 1901-02. On account of the contribution demanded for repairing the in patients ward - attached to the Female Dispensary in Chitaldrug and to a lumpsum provision of Rs 200 made at the request of the Public Works Department

in the budgets of the Marginally Noted Municipalities for 1902-03 On account of 1/3rd Cost of repairing the Dispensary buildings in them

2 Holalkere	50
3. Jagalur	50
4 Molakalmuru	50

(c) Miscellaneous. The net excess of Rs 107 provided under this item is on account of the provision made for Constructing a cattle pound in Nayakanahatti.

(d) Public Works. The decrease is only nominal for if the additional amount of Rs 9032/- provided in the revised budgets of Chitaldrug, Davanagere, Harihar and Hiriyur on account of (1) pumping water from the Vaddu in Chitaldrug & (2) appropriation required for incomplete works in the remaining 3 Municipalities, be omitted, there will be an increase of Rs 953 in the expenditure proposed under the head for 1902-03 instead of a decrease of Rs 8079 as shewn in para 5 supra.

7. The decrease under other heads calls for no remark.

8. The Closing balance for the year will be Rs 12506 owing to the provision of Rs 1900/- made for pumping water in Chitaldrug in 1900-1901, & 1901-1902. The

The closing balance of the Municipality for 1902-03 has run short of the prescribed minimum by about Rs 1800/-. As the estimates provided under the various heads of expenditure for 1902-03 are indespensible and cannot be conveniently reduced, it is prayed that the deficiency in the minimum balance be accepted as a special case and the estimate passed. The expenditure on account of pumping water at Chitaldrug will disappear as soon as the Tenmamanaiken Kere Tank fills.

Mr Ramani Rao
President.

In returning herewith for revision & resubmission the Budget estimates received with the above, has the honor to point out that they do not seem to have been correctly prepared. In Column 4 of the Consolidated Statements, the difference between the sanctioned estimate for 1901-902 and the actuals of the 1st half of the same year is given as the probable collections of the 2nd half of that year, while under this office Memo No 6465-7 of 18th Dec 1849, the actual collection of the 2nd half of 1900-901 should have been entered. The insertion of incorrect figures in the Column leads to the adoption of more liberal estimates of income of most of the towns

6. iii Collection (a) Octroi. The President in his letter No.1009 dated 2th June 1902 propose to rent a building at Rs.7 per mensem for storing of the bales of Piece goods as left in the possession of the Municipal authorities at Davengere before breaking bulk and requests sanction to the same, the sum of Rs.30/- ovided under "Miscellaneous for unseen expenses" being raised to Rs

2. 1 Octroi. The marginally noted estimates, which are not supported by the actuals of 1900-1901 and the probable collections of 1901-02 will be modified as specified against each with the observation that estimates under this head should chiefly be based on the average collections of the two years and not on the estimate for the ~~current~~ latter year as has been now done. The estimated revenue from certain articles under this head is however small and may be given up, if by prevention of smuggling as far as practicable, the income therefrom does not show tendency to improve.

It is noted that no estimates have been entered under cocoanuts, betel leaves, Jaggery and tobacco in the Hosadurga Municipality as the levy of tax on these articles was ordered in Govt Pro. No. 15804-5/L.F.40-98 dated 22 March 1902. to be held in abeyance.

3. ii & vii House and Mohatarfa taxes.

The decrease under these heads as compared with the sanctioned estimates for 1901-02 in the Budget of Davengere and under Mohatarfa shop tax in Harihar is due to the ~~absence of previous years'~~ being no arrears to be collected during the year, while the increase under "House tax" in Molcalmuru is due to the revision of the tax in the town, ~~but~~ no explanation is however forthcoming ~~furnished~~ for the increase under House and Shop taxes in Naikenhatti and Devasamudra or for the decrease of Shop

tax

tax in Hosdurga and Hiriyur or even for the new estimate under oil-mill tax in Hiriyur. The omission should be supplied. Pending information, the estimates will stand.

4. V1 Tolls. The proposed estimate under this head represents the income expected from "Tolls" in Davengere as sanctioned in Government Proceedings No.13278-9/L.F.40-01 dated 12th February 1902. The estimate is allowed to stand.

EXPENDITURE.

5. 1 Interest on debt and X1 Miscellaneous (a) Repayment of loans.

The provisions made under these heads in the budgets of Chitaldrug, Davengere, Hiriyur and Holalkere will be retained, pending the receipt from the Comptroller of a statement showing the sums payable by these and other Municipalities on account of interest and principal towards the repayment of loans advanced by Govern-ment.

6. iii Collection (a) Octroi. The President in his letter No.1009 dated 12th June 1902 proposes to rent a building at Rs.7 per mensem for storing such of the bales of Piece goods as are left in the possession of the Municipal authorities at Davengere before breaking bulk and requests sanction to the same, the sum of Rs.30/- provided under "Miscellaneous for unforeseen expenses" being raised to Rs

Rs.84 to meet the cost. The proposed renting of a building at Davengere and the enhancement of the budget allotmentby Rs.54 are approved, but the item (Rs.84) will be shown unde· this head the sum of Rs.30 shown under unforeseen expenses being struck out.· As no provisions have been made in the budgets of Holalkere, Hosdurga, Jagalur and Molkalmuru it should be explained by whom the collection work is being managed in these Municipalities and whether no change in the collection agency is necessary for the development of Octroi revenue. Pending information the provisions made in the other budgets will be passed.

7. Conservancy. The principal items of variations proposed under this head are given below :-

Municipality	Items	Increase			Decrease		
		No	Rate	Amount	No	Rate	Amount
Harihar	Scavengers	"	"	✓	1	8	96
Devasamudra	Do	1	6	72 ✓	"	"	"
Chellakere	Peons	1	6	72	1	5	60
Jagalur	Do	1	6	72 ✓	1	5	60
	Sweepers	5	5	300 ✓	5	4½ ✓	270
	Do	4	3½	168 ✓	4	3	144 ✓
	Mustadis	1	10	120 ✓	1	7	84 ✓
	Conservancy carts	"	"	100 ✓	"	"	150 ✓
Turuvanur	Purchase of carts	"	"	50 ✓	"	"	"
Naikanhatti	Feeding charges of bullocks.	"	"	120 ✓	"	"	" ✓
	Purchase & repair of carts	"	"	60	"	"	50

It is not explained why the number of scavengers in Harihar is proposed to be reduced from 3 to 2 and increased rates of salaries are considered necessary to the Mutsaddy & his peon and also to the sweepers at Jagalur. The omission should be supplied and a report submitted as to whether it would not be more advantageous to the Municipalities to hire conservancy carts in Turuvanur and Naikenhatti instead of purchasing a cart in the former and purchasing carts and feeding bullocks in the latter at a cost of Rs.60 and Rs.120 respectively. Pending information, the provisions will however be allowed to stand tentatively.

The particulars as to the number of lamps existing in the towns of Jagalur and Molkalmuru where lighting is managed departmentally as also the number of lanterns to be purchased and repaired in Naikenhatti have not been furnished. passed, subject to the submission ~~jection~~ of estimates for works costing Rs.500 and upwards.

The provisions made under this head on account of contributions towards the cost of repairs of dispensary buildings will be retained with the observation that the necessity for the same should have been explained, as no corresponding provisions have been made in the District Fund Budget of the Chitaldrug circle for 1902-1903.

11. XI Miscellaneous (c) Cattle pounds.

The provision of Rs.100 made in the budget of Naikenhattifor the construction of a cattle pound in the town will be transferred to "VIII P.W.(h) Buildings Original", corresponding reduction being made under this head.

12. XI Miscellaneous other items. For reasons given in para 6 supra, the sum of Rs.30 provided for unforeseen expenses will be struck out, corresponding reduction being made under this head.

13. The other items call for no remarks and are passed.
